

IMPORTANT DATES TO REMEMBER

Online and mobile banking will remain up and running until our conversion weekend; however, some functionality will be impacted:

Monday, August 9th

Our mobile apps in the Apple and Google app stores will be unpublished. If you already have the mobile banking app downloaded, it will continue to operate until 5:00pm CT / 6:00pm ET on Aug 20th. If you delete the app after Aug 9th, you will not be able to redownload until our new apps are published on Aug 23rd.

Friday, August 13th

You will still be able to perform online Transfers, Wires, and/or ACH origination up until conversion weekend; however, this is the last day to add any new Transfer, Wire, and ACH transaction templates, modify existing templates, or recurring transactions. Any changes made after this date will not carry over and will have to be re-entered in the new system.

Wednesday, August 18th

This is the last day to add any new Bill Payments or modify existing payments. Payments already scheduled from the 18th and on, will process as normal.

Friday, August 20th

Online and mobile banking will go offline at 5:00pm CT / 6:00pm ET

Monday, Aug 23rd

The new My Beach experience launches.
