Welcome to The First Bank!

I am pleased to share that as of August 1, 2022, Beach Bank successfully merged with The First Bank. As one of the top performing regional community banks in the nation, we take great pride in making our communities a better place to live and work. This combination of banking professionals will continue to help support the success of local businesses, individuals, families, and non-profit organizations.

The conversion of your accounts at Beach Bank to The First Bank will happen in December 2022. Our goal is to make this conversion as seamless as possible. In the interim, you will continue to access online banking at the Beach Bank website, use your existing checks and debit cards, and visit your local Beach Bank branches.

We encourage you to review and update your current email, mailing address and account information online or at your local branch. Important updates will be sent to you throughout the conversion process and we do not want you to miss any of this information.

With over 90 convenient locations in Alabama, Florida, Georgia, Louisiana, and Mississippi, The First Bank has been meeting the financial needs of our clients throughout the South for the last 25 years. We now look forward to serving you. On behalf of the entire staff and Board of Directors of The First Bank, I would like to thank you for your business. If you have any specific questions, please do not hesitate to contact your local branch or our customer care center at (855) 257-2265.

With appreciation,
